Lt. General Joseph M. Swing
Commissioner of Immigration
and Naturalization
Department of Justice
Washington 25, D. C.

Dear General Swing:

I have been informed that Mr. William A. Hogan, a special assistant on your staff, has been assigned to other duties and I wish to take this opportunity to express my sincere appreciation for the splendid cooperation which Mr. Hogan has given the Central Intelligence Agency over the past three years. His clear understanding of the special needs of this Agency together with his fine sense of security has been of invaluable aid to us in advising us of both legal requisites and the policies of your office in order to meet our own operational problems in dealing with aliens of interest to the Agency.

Sincerely,

SIGNED
